

The 77th Turkish Geological Congress, which is organized annually by our Chamber and will be held for the 77th time this year, is one of the oldest scientific meetings of our country that has reached international dimension and will be attended by more than 3000 participants, will be held in Ankara, MTA General Directorate Culture Site between 14-18 April 2025 with the main theme of "Mining and Environment".

Our Congress, which has become the second largest geoscience meeting in Europe with thousands of participants from Turkey and abroad every year, fulfills an important function in terms of enabling public and private institutions, organizations or companies, local governments, relevant professional and non-governmental organizations to introduce themselves, to establish connections with those operating in the sector and to sell the products they produce.

Our congress will be realized with the contribution and support of our sponsoring institutions, organizations and companies this year as every year, and we invite institutions and organizations operating in the public or private sector in the field of engineering-architecture and planning, local governments, non-governmental organizations operating in our professional field to support within the scope of professional, scientific, social and social responsibility.

Support for our congress; 'Main Sponsorship', 'Gold Sponsorship', 'Silver Sponsorship', 'Silver Sponsorship' as specified in the 'Sponsorship File' Sponsorship' or by supporting other sponsorships.
